ção e escarnece da realidade quotidiana. E esta última apresenta atractivos irresistíveis para aqueles, entre os modernos, que preferem viver «na boa vida» e não fogem ao imediato. A revolução russa, ao contrário do único socialismo sujeito a velha penitência, tornou o sério, tornou irremissível a velha penitência. Não que se saiba que paraíso, inferno ou purgatório fosse a Cortina de Ferro viesse a erguer-se. Não se sabia, se a Cortina de Ferro viesse a erguer-se, pelo menos, que o planeamento socialista o sabe-se, por milhares de homens e constituiu o existe, que dirige milhares de um povo sábio. Por outro lado, por imperfeitas e contestáveis que possam ser as nossas informações, todas as fases da história sofrem para presunções. Todas as fases da história sofrem para presunções. Todas as fases da história sofrem para presunções. Todas as fases da história sofrem para presunções. Esta sumária linha de demarcação, que não deve satisfazer aos providos de bom senso, é contudo uma linha de divisão de águas.

Enjoy the oldest european tea.

HO

OFFERING GORREANA IS OFFERING HISTORY WITH AROMA.

Founded in 1883 and located in Azores, the Gorreana tea factory is the oldest in Europe. The same family has been managing the planting area of 45 hectares for about 5 generations.

Gorreana teas represent a union of taste, health and ecology.

Gorreana teas have worldwide recognition and are ranked as some of the best and purest teas in the world.

BLACK TEA

The black tea Pekoe has a very strong and aromatic flavour. It is produced from the plant's second bearing bud. Due to the strong oxidation of Camelia Sinensis leaves, this tea displays a reddish and dark color and it also contains antioxidants, neuro-stimulants and caffeine.

GREEN TEA

Green tea is rich in tannin and has a smooth taste. This tea has great anti-oxidant and slimming effects, anti-cancer and anti-aging properties.
